

Watson Land Co. leases land in Redlands

February 14, 2009

Industrial real estate developer Watson Land Co. has leased 517,346 square feet within its Watson Commerce Center in Redlands to Kenco Logistic Services LLC.

A news release said Kenco is a third-party logistics services company, which agreed to a 60-month lease valued at more than \$11 million.

Kenco will run the facility, designed to energy-efficiency standards, as a cross-dock operation for order fulfillment, shipping, receiving and inventory management for client Ralston Foods' Post brand cereal business.

The facility, completed last month, is at 26875 Pioneer Ave. in Redlands.
