## **Watson Land leases Carson warehouse to electronics firm**

Watson Land Co., a Carson-based real estate developer, said it leased a 103,185-square-foot warehousing and distribution facility in Carson to Coby Electronics.

Coby Electronics, a Lake Success, N.Y.-based consumer electronics manufacturer, signed a three-year lease valued at about \$2 million.

The lease allows Coby Electronics to expand its global distribution capacity by relocating from a facility in nearby Rancho Dominguez.
