Third Time's the Charm

In its second groundbreaking this year, **Watson Land Co** turned the dirt for this 225k SF industrial building in Carson that's been released to **OHL**. The five-year, \$10M transaction is the logistics firm's **third lease** at Watson Corporate Center, bringing its space there to more than 550k SF. Pro Venture's **Doug McDowell** and L2 Cos' **Lewis Latimer** repped OHL. Watson Land was represented in-house by **Lance Ryan** and **Mike Bodlovich**.
